

# You've never looked better

Carotid Angiogram taken with a  
Toshiba Aquilion 64 CT in 5.5 seconds

Parkside Imaging's new Aquilion™ CT scanner by Toshiba gives doctors a clearer picture of what's going on inside of you.

### *Sharper, more accurate images*

This advanced CT system can view all of you in more accurate detail – from the biggest bones to the tiniest vessels – with incredible speed and unprecedented clarity.

### *Faster, more accurate diagnoses*

As a result, these superior, high-resolution CT images improve diagnostic accuracy, expedite the treatment process and offer you shorter exam times.

*See Parkside Imaging when you need  
a CT scan. We'll see you better.*
